

LET'S TALK MONEY

André Barnard
Managing Director
Bank Gaborone

BRINGING BANKING TO YOU

We are privileged to introduce Bank Gaborone Limited to you. Bank Gaborone, a subsidiary of Capricorn Investments Holdings Limited, a fast growing regional financial services group in Namibia. Bank Gaborone is a relatively new bank in the Botswana market. On the 1st of February 2006, Bank of Botswana issued a license to Bank Gaborone Limited to commence with its full retail banking business and we opened the first branch in Pilane Road during September 2006.

We now have two branches, one in the main mall and the other at Game City Mall. We will steadily expand our network to other towns and have close to 30 ATMs around the country to provide access to our services where we do not have branches.

Guided by our core values of teamwork, excellence, learning, passion and integrity, Bank Gaborone continuously pursues its vision to become the preferred bank in Botswana. We intend to play a meaningful role in the development of our economy and the upliftment of the communities in which we operate. Bank Gaborone is therefore undertaking a number of initiatives to live up to these expectations, such as improving communication with our stakeholders.

Our clients and stakeholders are important to us and the LET'S TALK MONEY is Bank Gaborone's initiative to communicate matters of interest about our bank and discuss topical issues with you. I am therefore proud to introduce Bank Gaborone LET'S TALK MONEY to you. In addition to the print column in the Mmegi Newspaper, the LET'S TALK MONEY articles will also be available in the Business Section on the Mmegi website www.mmegi.bw.

Botswana is fortunate to host a banking sector that is well developed in terms of its institutional capacity and instruments. It is a very competitive environment and the product and service offerings of the respective banks are evidence to that. Yet a large percentage of economically active Batswana still have limited or no access to financial products and services.

Bank Gaborone will continuously review its product and service offerings to our individual and corporate clients and is committed to finding innovative solutions to address the needs of existing and potential clients.

We trust that our "LET'S TALK MONEY" will add value to you and we will also appreciate your inputs and comments. Please email us at info@bankgaborone.co.bw
